# City of Ketchum | 2023 Adopted Budget Mayor Neil Bradshaw's Message

After two years of unprecedented growth and change in our small mountain town, it feels like we are at an inflection point where both the economic and social outlook lack visibility. Is growth set to continue? Is a possible recession going to slow things down? Is inflation going to limit our investment possibilities? While property values may have increased significantly, by state law our property tax revenue can only increase by 3%. This is far below the cost increases that we are witnessing. Cost increases have broadly tracked a CPI of almost 9%. This disparity between the rate of revenue growth and rate of inflation creates a squeeze on our budget.

The property price increases, and related rent increases, have had a huge impact on our housing situation; and the affordability of living here has made it harder for local workers and businesses to provide goods and services to our residents and visitors.

To best address this challenge, our budget must adjust to the growing demands on our town and our efforts must be focused on three main areas:

- 1. Housing for year-round residents
- 2. Preserving the character and soul of Ketchum
- 3. Investing in our city's infrastructure

Furthermore, we must embark on a project to update our city code to better reflect our community expectations and provide greater direction to prospective developers.

By prioritizing these areas, we will work towards our mission of "Enhancing Ketchum's Livability."

With more people relocating to town, and greater tourist numbers, there is additional strain on our infrastructure, public safety, and other service demands. This budget seeks to address these immediate needs, as well as plan for the required capital projects in the future.

Our revenue forecast reflects a realistic outlook for inflationary growth. It anticipates a flattening in the growth in tourism, construction, retail, and the continuation in the development of a year-round economy through an increase in remote workers. Highlights of our revenue forecast include:

- 1. Local Option Tax (LOT): We estimate an increase in LOT revenues of 20% (\$300,000) over last year's adopted budgeted amount. Total LOT receipts for 2023 are budgeted at \$2.7m but are anticipated to come in as high as \$2.9m.
- 2. Building Fee Revenue: Fee revenue for planning and building is expected to decrease by 25%. This is \$128,000 below our budget for 2022.

Our spending priorities focus on enhancing service levels to our community through infrastructure investment, capital improvement projects, transportation, and public safety. Investing in our excellent employees is also an important part of delivering service levels that the community deserves.

Our budget is aligned with our vision for Ketchum; namely a city that is vibrant, connected, sustainable and safe.

Aligned with this vision, here are some highlights from the \$37.9m Budget:

#### Vibrant:

- **Housing** We have put in \$848,349 of funding for strategic housing initiatives. This represents \$266,349 of additional funding on top of \$582,000 of unspent ARPA funding from last year. Year-round vibrancy starts with year-round residents, and we are focused on encouraging projects that increase our inventory of long-term rentals.
- **Events** We have increased our event budget by \$10,000 to \$85,000. We will still deliver events that are worthy of our tourist economy while being good stewards of our LOT revenues. The separate budget for Wagon Days, our city's flagship event, is \$151,550.
- Arts We have included \$10,000 for miscellaneous art projects around town plus Percent for Art (5%) on all qualifying Capital Improvement Plan projects.

#### **Connected:**

- **Transportation** We have increased our funding of Mountain Rides by providing one-time funds of \$242,000. This represents a 43% share of total municipality funding within the valley. Mountain Rides has been able to secure additional COVID funding to maintain current service levels.
- **Mobility** We have \$333,111 for sidewalk repairs to enhance walkability and are studying the Warm Springs and Saddle Road intersection for improvements. A key project we anticipate is a full replacement of the tired pavers along the Fourth Street Corridor (Main Street to Walnut Avenue).
- Streets The maintenance of our streets and snowplowing operations will be supported by a total of \$2,062,892 for operations.

#### **Sustainable:**

- Water and Wastewater The replacement of the old Ketchum Springs line is now complete and will eliminate more than 350 million gallons of line leakage and reduce annual pumping costs by more than \$50,000 per year. Our focus now shifts to the Water Division to improve redundancy within the system and install emergency generators at our pump stations. Within the Wastewater Division, City Council recently approved a new Capital Improvement Plan for the next 20 years; investing more than \$4,807,090 this fiscal year as part of the longer-term plan, which includes asking voters to approve revenue bonds to keep rates low.
- Environmental We have provided \$80,000 towards the City/County sustainability program.

#### Safe:

- **Fire** We have realigned the compensation of our fire department and have completed the construction of the fire station. Along with new fire engines and fire trucks, we have established a fire department that can serve the growing demands of our community. In all, we have increased the fire budget by 4% (\$101,774) to \$2,622,064.
- **Sheriff** In working with the Sheriff, we have increased our police contract by \$179,665 (11% over the previous year) and we propose a contract with the BCSO of \$1.7m this year.

#### Our people:

Our employees make it happen and get it done. We have proposed to cover the increased cost of health expenses 12% and increase compensation by approximately 9% based on a combination of salary increases and one-time bonuses.

# City of Ketchum | 2023 Adopted Budget Executive Summary

The Fiscal Year 2023 proposed budget assumes \$37,914,809 in total planned expenses and \$37,914,809 in revenues. The total budget consists of the General Fund, Local Option Tax Fund, Capital Improvement Fund, two Enterprise Funds (Water and Wastewater), and seven trusts or restricted purpose funds. The city adheres to the Government Finance Officers Association best practices when developing the budget. Specifically, this proposed budget ensures that ongoing costs are aligned with ongoing revenue sources. In addition, the proposed budget recommends that only a portion of the increased revenues be allocated to ongoing expenses in the event of an economic downturn.

The revenue forecast for the General Fund is less than Fiscal Year 2022 due to not receiving federal ARPA funds and the downgrading of planning and building revenues. The budget assumes a three percent increase in property tax revenues as allowed by state law to fund inflationary expenses. There are no significant changes in revenues received from the State of Idaho. Revenue forecast for the Local Option Tax Fund was increased based on the current fiscal year's performance. The draft budget recommends that any additional revenues be allocated to support the Capital Improvement Plan.

The draft budget allocates funding for a new full-time position in the Facilities Division to maintain the newly acquired Warm Springs Preserve property. The budget makes allowances for a compensation increase for both contract (Fire Dept.) and non-contract employees to keep pace with inflation. Expenses related to health care and vehicle fuel/petroleum products were increased due to external rate changes. Two planned positions are not reflected in the draft budget. An interim budget amendment is anticipated to support fire department staffing associated with the ambulance contract, and an additional planning staff member based on the adjusted planning revenue forecast.

The city has two enterprise funds (Water & Wastewater), which are self-supporting via monthly customer charges. The city has recently completed a master facility plan for the Wastewater Division, which contemplates a significant reinvestment in the treatment facility over the next 10-20 years. Therefore, a rate adjustment of at least 7% is recommended in concert with seeking voter approval this November to issue revenue bonds. The capital improvement plan for the Water Division has also been updated and is reflected in the draft budget expenses. The City Council has previously supported the concept of moving toward a broader tiered rate structure similar to the City of Hailey's to promote water conservation. The budget assumes the new rate structure which will also assist with proper funding of the new capital improvement plan.

The following pages provide an overview of all funds by revenue and expense; department details are covered on pages 11-28. Details regarding outside contract entities are included as an appendix.

## City of Ketchum | 2023 Adopted Budget General Fund Summary

The General Fund is the City's primary source of funding for daily operations ranging from police and fire/EMS services to street maintenance to children's recreation programs. The primary revenue sources for the fund include property taxes, state revenue sharing, transfer from the Local Option Tax Fund, planning and building permits, and franchise fees.

Revenues are forecasted to decrease overall due to ARPA grant funds no longer being issued. However, the following revenues will see an increase: Local Option Tax transfer by \$595,556; property tax and franchise fees by \$296,072; state and county shared fees by \$134,812; refunds and reimbursements by \$136,900.

Planned expenses are proposed to decrease by \$343,454 with \$364,700 in one-time spending. The revised budget allocates on-going funding for increases in health care, vehicle fuel, and power due to external rate changes. The revised budget allocates a blend of a 4% base compensation increase and a one-time 5% bonus.

The draft budget also allocates funding to add one full-time position in the Facilities Maintenance Department for the management of the Warm Springs Preserve. The budget makes allowances for the 2<sup>nd</sup> year in the collective bargaining agreement with the Fire Department.

It is important to note that the recommended budget adheres to the restricted fund balances set by City Council.

# **Department Summaries**

# City of Ketchum | 2023 Adopted Budget Administration Department

This budget contains the operating accounts for City Administration, Treasury and City Clerk. The City Administrator supports the Mayor and City Council, manages the budget, and provides oversight of all departments on day-to-day administration of city operations.

The Treasury and City Clerk teams are responsible for a range of services such as maintaining ordinances/resolutions, public record requests, and retention of city official records and information technology. In addition, the team prepares and maintains all financial accounting, payment of bills, procurement, and payroll.

#### **Fiscal Year 2022 Highlights**

- Budget was \$209,215 lower than FY21 due to transfer of two accounts totaling \$88,000 (repair and maintenance of buildings) to Facilities budget.
- Cost savings of \$121,215 for changes in personnel.

#### Personnel:

• Changes in position structure; number of full-time employees remained the same.

### **Fiscal Year 2023 Highlights**

- Salaries decreased due to moving General Fund use for a Public Works Director position to the Non-Departmental section.
- Professional Services increase due to 10% contract increase with Ketchum Computers.
- Telephone & Communications increase due to a one-time payment to afford implementation of new fiber.

#### Personnel:

No changes.

## Planning and Building Department

The Planning and Building Department is responsible for long-range (comprehensive) planning, current planning functions, and management of all developments, both past and present. The Planning and Building Department administers the Zoning Code, Subdivision Code, various Building Codes, and coordinates reviews from other City Departments. The Planning and Building Department provides staff support to the Planning Commission, City Council, and the Ketchum Urban Renewal Agency.

## **Fiscal Year 2022 Highlights**

- The Planning and Building revenues were upgraded based on current fiscal year performance. It is important to note that only 50% of increased revenues were allocated towards on-going expenses should we experience an economic slowdown.
- Increased contract with IDBS by \$95,000 to align with projected workload. The contract is set up to only pay for actual hours completed.

#### Personnel:

 One planning position added to reflect FY21's interim budget change.

#### Fiscal Year 2023 Highlights

- Restored funding for training and travel \$3,000.
- Decreased revenue forecast by \$387,000.
- Increase contract with IDBS by \$40,000 to align with projected workload. The contract is set up to only pay for actual hours completed.
- Request for \$180,000 to update the zoning code a one-time expense – reflected on the General Fund Expenditures chart.

#### Personnel:

 One additional planner requested but not funded due to decrease in planning & building revenue forecast. Dialoging with KURA to understand consideration of cost reimbursement for the position.

### Streets and Facilities Department

The Streets & Facilities Department consists of the Street Division and Facility Maintenance Division. The department is responsible for maintaining the infrastructure of the City of Ketchum. This budget includes funding for snow removal, resurfacing streets, improving drainage, street sweeping, repairing potholes, installing, and maintaining street signs and traffic markings, maintaining street trees and public restrooms, street lighting, city beautification, and maintenance of public facilities and parks.

#### **Fiscal Year 2022 Highlights**

- \$23,000 was added to fund installation and maintenance of flowers.
- The \$88,000 increase was associated with moving the repair and maintenance of buildings accounts from the Administration to the Facilities budget.

#### Personnel:

 Administrative Assistant transitions from a part-time to full-time position.

#### **Fiscal Year 2023 Highlights**

- Increased fuel- and petroleum-related costs to reflect market conditions.
- First year full year of operating and expenses related to management of Warm Springs Preserve.

#### Personnel:

• One new maintenance position associated with the Preserve.

## Non-Departmental

The Non-Departmental section of the budget contains initiatives not otherwise associated with a specific department. In FY22, the funds support contracts dedicated to citywide efforts that benefit all departments and transfers out of the General Fund to support other funds (including Capital Improvement and Trust Funds).

## Fiscal Year 2022 Highlights

- Increase of \$20,000 to the initial budget (\$60,000) for the sustainability shared position with Blaine County (=\$80,000).
- Increase of \$67,000 for compensation adjustments based on market comparison.
- Increase of \$73,000 for one-time employee compensation.
- Increase of \$73,000 for Warm Springs Contractual Staffing.
- Transfer of ARPA grant funding FY21 and FY22 of \$614,100 to Strategic Initiative Fund.
- Transfer of \$250,000 to Strategic Initiative Fund.

#### Personnel:

• One new position shared via contract with Blaine County.

#### **Fiscal Year 2023 Highlights**

- Proposes a 4% base/on-going increase to compensation and an additional 5% one-time increase.
- Includes one-third of the proposed Public Works Director salary.
- Blaine County proposed an increase of \$69,215 over previous year – this budget does not reflect those changes.

#### Personnel:

No changes.

#### City of Ketchum | 2023 Adopted Budget

#### Local Option Tax Fund – Original LOT and Additional 1% LOT

The original Local Option Tax (LOT) became effective December 15, 1978. Since the original adoption of the LOT, voters have approved or modified the tax in 1979, 1983, 1984, 1988, 1997, and 2011. In 2011, voters approved a new fifteen-year term. The LOT is to be used for

- a) municipal transportation
- b) open space acquisition and recreation
- c) capital improvements
- d) emergency services; police, fire, and ambulance
- e) city promotion, visitor information and special events
- f) property tax relief
- g) direct costs to collect and enforce the tax

The tax imposes 1% on retail, 1% on building material, 2% on liquor by the drink, and 2% on short-term lodging and rentals.

In November 2013, an additional 1% was added to the LOT with authority to collect for five years. This additional 1% LOT was renewed by voters in May 2016 for another 5-year period, which will extend through calendar year 2023. This additional 1% is to be used to

- a) maintain and increase commercial air service to Friedman Memorial Airport through the use of minimum revenue guarantees or other inducements to air providers
- b) promote and market the existing service and any future service to increase passengers
- c) all ancillary costs associated with the ongoing effort to maintain and increase commercial air service, including management costs and bussing due to flight diversions
- d) direct costs to collect and enforce the tax, including administrative and legal fees

## City of Ketchum | 2023 Adopted Budget General Fund Capital Improvement Plan

Fiscal Year 2023 is the second year of the updated five-year Capital Improvement Plan. Planned expenses for FY23 total \$2,549,374. The most significant project (\$1 million) is the first phase on improvements to Warm Springs Preserve which will be fully funded via donations received.

The following pages contain expense detail for each fiscal year and is organized by function area. Project requests for the remaining fiscal years exceed the amount of funding from planned resources. Therefore, the CIP plan will be reviewed annually to make necessary changes to ensure expenses align with resources. The CIP also serves as a basis to calculate development impact fees for fire, police, and parks.

# City of Ketchum | 2023 Adopted Budget Water Division

The Water Division of the Utilities Department is responsible for providing potable water to the residents and businesses of Ketchum. The division operates several well sites and reservoirs throughout the city. The division also reads meters, repairs meters, supervises the installation of water taps, and processes utility billing.

## **Fiscal Year 2022 Highlights**

- A 4.9% percent rate adjustment would be necessary to fund expenses should the Council prefer not to access fund balance.
- Most significant increase in capital is associated with an emergency power generator (\$250,000 estimate).
- No significant changes to operating expenses.

#### Personnel:

• No changes.

#### **Fiscal Year 2023 Highlights**

- Proposed new tiered rate structure to promote water conservation.
- Increase funding to implement multi-year Capital Improvement Plan.

#### Personnel:

• No changes.

# City of Ketchum | 2023 Adopted Budget Wastewater Division

The Wastewater Division of the Utilities Department is responsible for collecting and treating domestic wastewater. The Sun Valley Water and Sewer District and the City of Ketchum own the wastewater treatment facility. The division operates the wastewater treatment plant and maintains the collection system in the City of Ketchum.

## **Fiscal Year 2022 Highlights**

- A 4.9% rate adjustment would be necessary to fund expenses should the Council prefer not to access fund balance.
- The most significant change in the capital improvement budget is an allocation of \$500,000 for a new VAC truck. This expense would be split equally with the Sun Valley Water and Sewer District.

#### Personnel:

• No changes.

### Fiscal Year 2023 Highlights

- HDR has recently completed a draft Facility Plan to guide investment at the treatment plant for next 20 years.
- City has retained a financial advisor to develop detailed cash flow analysis and revenue bond scenarios to determine proper blend of rate increases and debt issuance.
- Draft budget assumes at least a 7% rate increase.

#### **Personnel:**

No changes.

# City of Ketchum | 2023 Adopted Budget Trust Funds

## **Development Services**

The Development Services Trust Fund is an account established for bonds or other monies deposited as required by city ordinances for development projects. If projects do not fulfill their obligations, the funds may be withdrawn and used for mitigating any issues in connection to the development. In the vast majority of cases, the funds are returned to the applicant in full.

#### Parks and Recreation

The Parks and Recreation Trust Fund provides budget authority to receive and expend money obtained through grants, donations, and General Fund contributions. A new sub account was created to house donations made toward the Warm Springs Preserve. Federal law typically requires that money received through grants be segregated into separate funds and that the receipt and expenditure of such money be accounted separately from other city functions. The fund also provides an avenue to segregate donations to assure that such funds are spent in accordance with the instructions of donors.

#### Police

The Police Trust Fund provides budget authority to receive and expend money obtained through forfeitures and seized assets. Federal law requires that money received through such forfeitures be segregated into separate funds and that the receipt and expenditure of such money be accounted separately from other city functions. Federal law also limits the expenditure of such funds to specific uses, such as drug enforcement, education activities, and capital equipment or improvements.

# City of Ketchum | 2023 Adopted Budget Other Funds

#### General Obligation and Debt Service Fund

The General Obligation and Debt Service Fund provides for debt service on the City's Series 2007 General Obligation (G.O.) Bonds that funded certain Streets Department capital equipment acquisitions as well as the Series 2020 General Obligation Bonds that are funding construction of the new station for the Fire and Rescue Department.

The 2007 G.O. Bonds were authorized by the requisite two-thirds of the voters at the election held on November 7, 2006, in the amount of \$1,550,000. Ordinance 1014 provides for the repayment of the bonds over a 14-year term. The final payment is scheduled for August 2021. Interest rates on the bonds vary from 3.72% to 4.43%.

The 2020 G.O. Bonds were authorized by the requisite two-thirds of the voters at the election held on November 5, 2019, in the amount of \$11,500,000. Ordinance 1201 provides for the repayment of the bonds over a 25-year term. The final payment is scheduled for September 2044. Interest rates on the bonds vary from 2.00% to 5.00% with a true interest cost of 1.92% over the life of the bonds.

#### Community Housing In-Lieu Fund

The purpose of the Community Housing In-Lieu Fund is to provide budget authority to administer the City's community housing in-lieu program. In-lieu funds are restricted for uses that advance community housing efforts.

City of Ketchum | 2023 Adopted Budget Other Funds, cont.

### City/County Housing Department (formerly the Mayor-Council Strategic Initiatives Fund)

The FY23 budget is a scaled down approach (\$848,349) for the first year of the Housing Action Plan due to the recent Local Option Tax vote not receiving voter approval. The draft budget assumes full utilization of the Strategic Initiatives Account and \$266,349 from General Fund – Fund Balance. This scope of work would be co-funded with Blaine County similar to the countywide sustainability approach.

In October of 2021, the city kicked off the process to create the Ketchum Housing Action Plan. The city created a community task force to assist in the creation of the plan. The task force held several meetings to provide feedback on the development of the plan. Staff held a series of meetings with potential implementing partners outlined in the plan to ensure alignment should the plan be approved and funded. Three phases of significant community engagement were conducted to solicit feedback on the development of the plan. City Council formally adopted the plan on May 9<sup>th</sup>.

#### Wagon Days Fund

The Wagon Days Fund provides budget authority to support the annual Wagon Days Celebration that takes place during the Labor Day weekend. The Wagon Days Celebration is funded through a mix donations, ticket and souvenir sales coupled with the Local Option Tax Fund.

o 1st - August 1st | 2nd - August 15 | 3rd - September 6th

Feel free to expand the text fields. Supporting documents or any additional information for consideration are welcome as attachments.

If any of the below items do not apply to your request, please indicate with N/A.

- 1. Amount requested for fiscal year 2023: \$2,500.00
- 2. What percentage of your overall budget does the requested amount represent? **17** % Please submit a budget sheet for FY2021 and FY2022 that shows overall revenue and expenditures.

Funding Source	2023 Percent of Planned Budget \$16,000	2022 Percent of Total Budget \$12,200	2021 Percent of Total Budget \$2,800
Cities of Ketchum, Sun Valley, and Stanley	44% (requested)	50%	N/A
Blaine County	22% (requested)	25%	N/A

IDSA	17% (confirmed)	10%	100%

3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

Reduced funding would make it more difficult to maintain IDSA's education and outreach efforts that help residents and visitors to enjoy the stunning night sky and understand the importance of preserving the naturally dark nighttime environment within the Reserve.

Leveraging additional funds from the other cities and counties within the Reserve would be more challenging without the leadership and continued support from Ketchum as a related Dark Sky Community.

4.	Does your program or project have a strategic/business plan in place? Yes NoX
	If yes, please attach a copy upon submission.
	(NOTE: The Idaho Dark Sky continues to use the Lightscape Management Plan required by the
	International Dark-Sky Assn to guide our outreach and monitoring efforts.)

- 5. If you received funds from the City in fiscal year 2022, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)
  - Collaborated with BSU to secure multi-year funding through NASA's Science
     Activation Program to provide STEM outreach and education opportunities. BSU
     students in the AstroTAC program will provide astronomy and STEM presentations in
     classrooms and community -based events.
  - Provided astronomy information, dark sky friendly lighting displays and telescope viewing (including views of Saturn's moons!) at Solstice Celebrations at Ketchum Town Square
  - Worked with the CINSS, the local observing group to host stargazing nights for local residents and with Hotel Ketchum to host two dark sky events for guests
  - Worked with City Staff on required sky quality monitoring to maintain Dark Sky Reserve status for CIDSR and Dark Sky Community status for the City.
  - Working on upcoming programs in Ketchum and other Wood River locations during the summer 2022 season with the CIDSR Astronomer in Residence

- 6. If you receive funds from the City in fiscal year 2023, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)
  - Since 2017 the Reserve has offered a range of presentations led by astronomers and other subject matter experts. To supplement and expand upon these efforts, the Alliance will continue to provide programs for local organizations, schools and civic groups.
  - Develop and install dark sky interpretive signs throughout the Reserve to provide information about astronomy, the importance of dark night sky to maintaining healthy ecosystems, and dark sky friendly outdoor lighting.
  - Provide information for local tourism organizations (local Chambers of Commerce, Visit Sun Valley, local outfitters, lodging providers) about the economic benefits of astro-tourism
  - Continue work with BSU AstroTAC students to provide outreach programs for schools and other organizations
  - Work with students from UCLA's Institute of the Environment and Sustainability in June to collect Sky Quality data for local use and to maintain Dark Sky designation for both CIDSR and Ketchum.
  - Recruit and train a volunteer night sky monitoring group, including local teachers and other interested residents, to assist the Reserve and the City with ongoing monitoring needs

#### Overall benefits of the Central Idaho Dark Sky Reserve to the City of Ketchum and city residents

The Idaho Dark Sky Alliance works with a number of organizations throughout the reserve to educate residents about the importance of maintaining dark skies. The group also serves as a resource for Ketchum and other communities as they develop and implement dark sky policies.

The pristine dark skies we enjoy in the Reserve are a treasured resource for both local residents and visitors. A main goal for the CIDSR is to preserve our dark skies. Reducing artificial light at night benefits human health and wildlife populations, and reduces energy consumption. Dark Sky designation can also provide economic benefits to local businesses through increased tourism and specific benefits to businesses that provide dark sky related items.

The City of Ketchum has been involved with the Dark Sky planning discussions since the 1990s when the city passed a Dark Sky Lighting Ordinance. City staff were instrumental in the early planning effort to get CIDSR recognized as the first Dark Sky Reserve in the US.

- 3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

The Friends of the Sawtooth Avalanche Center (FSAC) and Sawtooth Avalanche Center (SAC) hold a shared mission to save lives by reducing avalanche risk to people recreating, working and traveling on and around the Sawtooth National Forest. Avalanches are responsible for more deaths than any other natural hazard on federally owned lands (USFS, BLM). SAC's daily avalanche forecasts are a critical tool for sharing avalanche and weather information with the local and tourist winter recreation community and with our professional and business community, including Blaine County Search & Rescue, law enforcement and fire departments, snow removal and landscape services, backcountry guiding groups, and backcountry gear retailers. Our local avalanche center truly is a community effort and our most important resource to help our mountain community remain safe during the winter months. A reduction in funding could severely impact our ability to meet our mission.

- Does your program or project have a strategic/business plan in place? Yes \_\_\_\_\_ No X If yes, please attach a copy upon submission.
  - \*\*\* FSAC board of directors and Staff are currently working on a strategic plan. We hope to have it ready by July 2022. Once complete, I will be more than happy to provide a copy and any further explanations as needed.
- 5. If you received funds from the City in fiscal year 2022, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)

Yes, FSAC was a grateful recipient of funds from the City of Ketchum in 2022. These funds helped sponsor the SAC daily avalanche forecast. This has been a wonderful relationship between the City and FSAC for many, many years.

As a small expression of gratitude, we showcase The City of Ketchum as a dedicated sponsor on the FSAC website. <a href="https://friends.sawtoothavalanche.com/sponsors/">https://friends.sawtoothavalanche.com/sponsors/</a>

6. If you receive funds from the City in fiscal year 2023, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

FSAC's primary goal and responsibility is to provide funding for SAC so it may continue to provide reliable, accurate, and actionable avalanche and weather information to the public. The Daily Avalanche Forecast is our most important resource for sharing critical information with the public in order to save lives. Funds collected from the City will be used to ensure this goal is met, which can include SAC website maintenance, expanded forecast territory, and social media outreach.

Mountain Humane would not be able to continue as the impound facility for stray and/or residents of Ketchum lost animals. Staffing, lost & found efforts, licensing and Rabies compliance administration would no longer be possible for our non-profit without the municipalities funding the service for residents.

4.	Does your program or project have a strategic/business plan in place? YesY No
	Our strategic plan is in the midst of a complete overall due to all of the changes surrounding animal welfare and our communities' many challenges (labor/housing shortage) so we won't have this complete until September. I would be happy to share it once it is completed.

If any of the below items do not apply to your request, please indicate with N/A.

- 1. Amount requested for fiscal year 2023: \$ 769,000
- 2. What percentage of your overall budget does the requested amount represent? <u>5.1</u>% Please submit a budget sheet for FY2021+FY2022 Attachment A that shows overall revenue and expenditures.
- 3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

To qualify for FTA funding, which underwrites the lion's share of our budget, Mountain Rides must receive local match funds. There is a direct relationship – intensified by the leverage from the Federal match – between funding from our Joint Powers, including Ketchum, and the quality and quantity of public transportation services we deliver. In Operations, with ~\$2.75 of FTA funding per \$1.00 of local funding, each \$100,000 of local funding results in ~\$375,000 of total funding, which translates to ~3,800 hours of bus service. On the Capital side, the match is ~\$4.00 of Federal funding per \$1.00 of local funding.

Mountain Rides deploys resources efficiently to deliver quality services critical to the community. Reduced funding from Ketchum would likely trigger service cuts on our Blue & Valley Routes – serving ~400,000 riders per year (~73% of MRTA ridership) – which, in turn, would exacerbate challenges – traffic congestion; parking shortages; accelerated wear-and-tear on highways/streets; safety and environmental issues due to increased SOV trips – that Mountain Rides, historically, has helped to mitigate.

For FY23, Mountain Rides is requesting \$769,000 from Ketchum: i) for Operations/Service -- \$589,000 -- which is an increase over FY22 (wherein we had CARES funds available to cover shortfalls in local funding) and reflects inflationary impacts on Mountain Rides' expenses; and ii) for Capital -- \$180,000 -- which is explicitly allocated as the local match for Federal awards earmarked for Capital Improvements, including buses (BEBs), facilities (new Bellevue building), and equipment (lifts, hoists, charging infrastructure, etc. to outfit the new building and retrofit our Ketchum facility for maintaining BEBs).

- 4. Does your program or project have a strategic/business plan in place? Yes X No \_\_\_\_ If yes, please attach a copy upon submission. See "Mountain Rides Transportation Authority, Strategic Framework: Pentad of Focus," Attachment B.
- 5. If you received funds from the City in fiscal year 2022, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)

In FY22, Mountain Rides is using City funds to: i) operate and support our Valley & Blue Routes, including enhanced, more frequent, seven-day service on the Valley Route and continuing late-night service on the Blue Route; ii) manage and operate a Safe Routes to School Program; iii) engage in regional transportation planning and coordination; and iv) operate and support our regional van pool services. Benefits to the community include:

- Workers accessing affordable, reliable, safe transportation getting them to/from jobs.
- Senior citizens accessing affordable, reliable, safe transportation getting them to/from shopping and activities.
- Cyclists and pedestrians moving along safe, secure, and scenic routes.
- Children experiencing greater mobility and independence.
- Less traffic; more balanced transportation options; mitigated parking shortages; higher quality of life.
- 6. If you receive funds from the City in fiscal year 2023, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

Mountain Rides goals, set by our Board of Directors, remain consistent and relevant:

.....

- Provide/advocate for well-funded public transportation that meets communities' needs.
- Promote knowledge and awareness of the social, financial, environmental, and community benefits of public transportation.
- Promote regional cooperation on transportation issues.

Specifically, in FY 2023, look for Mountain Rides to:

- Operate 30,000+ hours of annual service on routes serving the City.
- Provide quality transportation services and infrastructure that underpin and promote economic growth, vitality, and livability.
- Provide essential transportation services to transit-dependent essential workers.
- Positively impact the local economy, with ~45 employees earning and spending ~\$2.3MM in annual wages and benefits.
- Expand and augment our Bellevue depot (total investment, ~\$1.7M) to accommodate fleet electrification and to complement our Ketchum depot. Enhance the infrastructure in our Ketchum depot to further accommodate fleet electrification.
- Bring ten (10) BEBs into our fleet (total investment, ~\$8.2M), which will bring our total BEBs to fourteen (14) in a fleet of twenty-four (24) buses.

For a comprehensive look at Mountain Rides' goals, please see Mountain Rides' "Strategic Framework: Pentad of Focus," attached.

If any of the below items do not apply to your request, please indicate with N/A.

- 1. Amount requested for fiscal year 2023: \$ 15,000
- 2. What percentage of your overall budget does the requested amount represent? **9** % Please submit a budget sheet for FY2021 and FY2022 that shows overall revenue and expenditures.
- 3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

Access to grant dollars from the Idaho Dept. of Commerce Rural ED Grant program would not be possible, and projected funding from the five other Blaine Co municipalities would be very difficult unless the City demonstrated leadership through this budget request. With the largest business community and employer base, Ketchum's continued support is critical. In order to leverage more than the projected \$55k in Blaine Co. non-Ketchum public sector and \$60k in private sector funding, the City contribution plays a pivotal "key contributor" role.

4. Does your program or project have a strategic/business plan in place? Yes \_\_X\_\_ No \_\_\_\_ If yes, please attach a copy upon submission.

- 5. If you received funds from the City in fiscal year 2022, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)
- 1. Leadership of the Blaine Covid Recovery Committee
- 2. Expansion of the Sun Valley Culinary Institute
- 3. Attraction of Project Wheat with 30 potential new jobs
- 4. Delivery of economic data and analyses to inform public & private decision-making
- 5. Guidance to businesses on accessing external capital during the pandemic

This year, we completed an ROI calculation based on methodology used by other leading Idaho ED organizations. This calculation and the methodology are attached separately.

6. If you receive funds from the City in fiscal year 2023, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

SVED delivers projects and programs that create economic value for Ketchum through:

- 1. More Jobs: Retain existing and attract new businesses
- 2. Improved Sales: Increase business traffic & reduce seasonality
- 3. Better Decision Making: Provide timely data & analysis on the local economy
- 4. Removing Obstacles: Improve the local business environment
- 5. Delivering Significant ROI: real and positive community-wide impact from sponsored projects & programs
