You do not need to republish, just attach an explanation to the affidavit of publication in case there's an issue in the future.

Hi Stephanie,

Last week the council passed an ordinance amending the budget, there was a typo in the ordinance. Apparently Nina noticed it and the council made the correction and passed it. I was not aware there was a change and published the ordinance as it was. I'm wondering if I just need to republish the Ordinance with the change, or if I need to note somewhere that it is a corrected ordinance.

I attached the ordinance, and highlighted the change. Let me know what you think,
Thanks for the help!
