| | |
|-----------------------------|---|
| Project Name: | Peelers Wild Caught Alaska |
| Applicant: | Kyle Taranto |
| Location: | 711 N Main (Backwoods Mountain Sports) |
| Property Owner: | Northway LLC |
| Application Type: | Off-Site Vendor Permit |
| Project Description: | The above applicant has applied for an Off-Site Vendor Permit for a mobile vending truck located at 711 N Main (Backwoods Mountain Sports), Ketchum, Idaho, in the Commercial Core. The business is Peelers Wild Caught Alaska, a mobile vending truck selling flash frozen wild caught Alaskan seafood. This business will operate once per month. |

In accordance with KMC, 5.16.100, adjacent property owners are hereby noticed of the application as described and are invited to comment on the application through 5:00 PM on Monday, June 30, 2025, after which final action on said application will be taken. Comments should be submitted to: participate@ketchumidaho.org. The complete application is available for review upon request to the City of Ketchum, Department of Planning and Building. As outlined in KMC 5.16.200, an adjacent property owner may appeal the decision to approve the vendor's license by filing an appeal with the Planning and Zoning Department within 15 days of the date the Zoning Administrator mailed a written notice of the decision to the vendor. Such appeal will be scheduled before the City Council.

Dated this 20th day of June 2025.
