- B. Funds generated from projects within the Revenue Allocation Area shall be used first and foremost for publically owned infrastructure and for infrastructure that serves a direct public purpose.
- C. Public infrastructure located below ground or at-grade shall be given priority.
- D. In rare circumstances, funding for a non-infrastructure request may be considered if it is found to meet the criteria described in the section below.
- E. Projects specifically identified in the 2010 Ketchum Urban Renewal Plan shall take priority for funding in all cases.

In these situations, the public infrastructure that was required in exchange for development bonuses shall be paid by the private developer.
- H. Funding approvals are valid for the duration of the fiscal year in which the request was granted, unless otherwise stated in an agreement between the Agency and the entity.

Funding will be proportionate to the amount of community housing the project provides. For example, if ten out of 100 residential units are considered community housing, the Agency may consider funding 10% of infrastructure costs. All other residential projects will not be considered.
